**What if we don't raise the amount of funds?** We are confident that we will – but if we fall short of our goal, all funds will stay in the building fund account until we can satisfy the requirements from the Diocese to move forward. However, we don't need the full amount to start the project. The more we raise towards our goal will reduce the amount we would need to borrow from the Diocese, or will repay what we have taken from our cash reserves.

**What happens if the campaign raises more than the campaign goal?** Any extra funds raised above and beyond the campaign goal will allow us to lower the amount borrowed

from the Diocese and repay our cash reserves.

**What are the costs of the capital campaign?** Less than \$1000 for printed materials and postage.
