Frequently Asked Questions:

Why do we need this now?

We stand at a pivotal moment in the life of the Diocese of Charlotte. Since our founding in 1972, the Catholic population has grown from 34,000, to more than 575,000 with continued growth each year. Our Parishes are experiencing both the opportunities and challenges that come with this rapid growth.

- * Many Parishes are facing financial and physical limitations with some outgrowing their facilities or lacking resources for needed improvements.
- * Catholic Charities is serving a growing number of individuals and families, including responding to major events as Hurricane Helene.
- * The need for strong Catholic education, lay leadership and clergy formation continues to increase.
- * Population growth across the region is creating a urgent need to plan for future parishes and ministry sites.

Every parish and mission will benefit from this diocese-wide effort, with parishes keeping 50% of the funds they raise for local capital projects, ministry needs and endowments. Parishes that hit certain stretch goals will also retain 100% of any additional funds.
